Pan Finance Announces the Q1 Award Winners of 2024

PR Newswire

Wed, March 27, 2024 at 8:00 AM GMT · 5 min read

LONDON, March 27, 2024 /PRNewswire/ -- The financial services sector faces novel challenges in 2024 due to a slowdown in the global economy. While various nations are witnessing promising results from recent measures aimed at curbing inflation, complexities arise from supply chain disruptions, shifts in trade dynamics, and persistent geopolitical conflicts, which pose obstacles to economic growth globally. Additionally, the occurrence of extreme weather events like floods, wildfires and hurricanes, further threaten to disrupt economies significantly.

PanFinance Award Winners 2024

Despite variations in performance among different asset classes, investment management firms as a whole experienced subdued results across the board. Growth is expected to be primarily driven by innovation in products and enhancing customer experience, particularly through the adoption of disruptive technology. In this first edition of 2024, Pan Finance Magazine's cover story highlights how AI is shaking up the way we invest our money. Amongst 136 pages of truly insightful articles, we also take a closer look at why the UAE and India are now the best places to start a business; we explore the profits of big UK housebuilders; and we probe why Central banks should be fighting the climate crisis.

Furthermore, Pan Finance continues to shine a spotlight on a variety of topics by highlighting leading examples of best practice across the financial services sector and beyond. Established to be a true measure of excellence, the Pan Finance awards look beyond the realm of the balance sheet alone, measuring success through innovation, stewardship of the environment and positive impact on society.

being acknowledged by Pan Finance validates our efforts in elevating property management services across the nation. This accolade motivates us to continue enhancing our practices, strengthening our dedication to excellence, and solidifying our role in improving the property management sector in Mexico", **said Alberto Morett, Business Development Director for SERVIFE Real Estate Management.**

"FlexFunds is honoured to receive the Pan Finance 2023 Best Asset Securitization Program award. We are pleased that our mission to democratise access to cost-efficient investment vehicles has facilitated capital raising for more than 200 asset managers on three continents," **said Emilio Veiga Gil, EVP of FlexFunds.** "This award represents another milestone in consolidating FlexFunds as a leading company in setting up and launching investment vehicles at less than half the cost of any other alternative in the market."

"Today, the World is focused on finding renewable energy solutions that will make electricity cheap and available even in the most remote corners of the world. By naming Neosun Energy as the winner of the "Most Innovative Solar Module Product - China & MENA 2024", the Pan Finance award has recognised Neosun's new approach that is changing the way to making solar energy affordable. Happy to share our insights and experience with global enterprises," **said Ilya Likhov, the CEO of Neosun Energy.**

Commenting on their award, **Luigi Wewege, President of Caye International Bank, said,** "This award for Best Offshore Bank in CARICOM 2024 is a tremendous honour for our entire team at Caye International Bank. It's a testament to our unwavering commitment to providing exceptional financial services, security, and innovation for our global clients. We're proud to be recognised as a leader within the CARICOM community, and this award fuels our passion to keep exceeding expectations. This recognition isn't just a trophy; it's a responsibility to continuously refine our offerings and ensure our clients have a world-class banking experience in the Caribbean."
